

Welcome to Downstream Energy

We are part of the family-owned Todd Corporation, one of New Zealand's largest and most successful companies.

With a family and business history dating back to 1884, the Company has interests in hydrocarbon exploration and production, electricity generation, energy retailing, property development, minerals, healthcare and technology.

The Downstream Division of Todd Corporation consists of four businesses; Nova Energy, megaTEL & Wise Prepay, Sunergise and Todd Generation.

We have office locations in Auckland, Wellington, Tauranga, Whakatane, New Plymouth and Christchurch. We generate electricity, install commercial solar systems, provide natural gas, broadband and phone services.

Our Values

At Downstream Energy, we strive to be one of New Zealand's most successful companies. Our core values are part of every aspect of the business and provide a foundation for our behaviour, attitude and decision making. We strive to embody these values everyday to define our culture and achieve our goals.

We Care

We care about each other, the job we do, and our customer.

We Cheer

We encourage each other and celebrate a job well-done.

We Dare

We put our hand up, get involved and make things happen.

We Share

We work together and share knowledge to achieve great things.

Our Operating Principles

As Todd Group employees, we will respect the achievements and values of the Todd Family by conducting our business activities in line with these Operating Principles:

VALUE OUR
PEOPLE

CARE FOR THE
ENVIRONMENT AND
COMMUNITY

MAINTAIN HIGH
STANDARDS OF
CONDUCT

CREATE VALUE
